## Leave of Absence (LOA) or Temporary Interruption

Occasionally, students may experience extended personal or medical problems which make it difficult to attend classes. The institute may allow a student under such circumstances to take a leave of absence (LOA) from the program. Valid reasons for taking a LOA include: pregnancy, hospitalization of the student, temporary disability, immediate family or someone whom the student is designated as the primary care giver, military duty, or serious medical emergency.

- 1) Student must follow the institution's LOA policy. No leave of absence will be allowed during freshman class.
- 2) The LOA must be requested in writing at least five (5) business days in advance, include the reason for the student's request, and include the student's signature. Request must be approved by the Institute's Administrator or Director.
  - On occasion, unforeseen circumstances may prevent this from happening. For example, if a student were injured in a car accident and needed a few weeks to recover before returning, the student would not have been able to request the LOA in advance. In this case, the LOA beginning date would be determined by The School to be the first date the student was unable to attend school.
  - The school may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances. The institution must document the reason for its decision and collect the request from the student at a later date. In this example, ***the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.***
- 3) In order to grant a LOA to a student, there must be a reasonable expectation that the student will return from the leave.
- 4) The written request must include the starting and ending date of the LOA. An LOA may be granted for a minimum of fourteen (14) days and a maximum of one hundred eighty (180) days and only for documented medical and/or extenuating circumstances.
- 5) Cosmo Beauty Academy reserves the right to amend this policy on a case-by-case basis and final approval is given by the school director.
  - The LOA together with any additional leaves of absences must not exceed a total of 180 days in a 12-month period
  - Except in the case of pregnancy, only one LOA per 12 months is allowed
- 6) A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at this time.
- 7) The institution will extend the student's contract period by the same amount of time taken in the LOA
- 8) Should a student need to extend the LOA, the extension must be submitted three (3) business days prior to the end date on the original LOA form. The student will be notified by Administration if the extension is approved.
- 9) Leave of absences is not official until all required documentation is filed and approved. If a student is not on an official LOA and misses fourteen (14) consecutive calendar days, his/her contract will be terminated. (See Rules & Regulations: Attendance). Additional LOA's may be granted if the reason needed falls under the Federal FMLA Act.
- 10) If a student does not return from a LOA, the student's official withdrawal date, for the purpose of calculating a refund is always the student's last date of attendance.

Students will not be assessed additional tuition charges while on their LOA. A Leave of Absence extends the student's contract period and maximum time frame by the same amount of time taken in the LOA. Students

returning from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the same SAP status they held prior to their LOA. Students returning from an LOA must coordinate their return with the school Administrator. Students who fail to return from the LOA on their scheduled return date will be terminated and will be considered dismissed as of the last day of attendance prior to the start of the LOA. Upon early return to school, the LOA will be considered completed.

If a student has not completed the proper LOA procedures, all time missed will count as absences from school and will affect overtime charges and Satisfactory Progress. If a student misses over 14 consecutive days without an official Leave of Absence, his/her contract will be terminated. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

## **Student with Injuries or Contagious Disease**

Students who have been injured and are unable to perform their regular duties must bring a doctor's note to the school Director immediately upon arriving to school and apply for a leave of absence. Students who are diagnosed with a contagious disease, infection or other illness that may be transmitted to others must stay home until they have been cleared to come back by their doctor. Student should call their Director the first school day possible and discuss their condition and possible return date. The Director will help the student determine if a leave of absence is needed.

## **Satisfactory Academic Progress Policy**

The Satisfactory academic progress (SAP) policy is contained in The School's catalog, which is issued prior to a students' enrollment. The SAP policy is consistently applied to all students enrolled at the school. Satisfactory Academic Progress is a measure by which the school monitors the student's progress toward completion of his/her course. Each student is expected to meet the minimum standards of SAP in order to progress in the course and remain enrolled in Cosmo Beauty Academy. SAP encompasses all areas of academic achievement including attendance, test scores, assignment and practical performances. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

- Student must maintain an overall academic grade point average of 70%
- Student must maintain an average attendance rate of at least 70% of the scheduled hours.
- Student must adhere to all school policies
- Course incompletes, repetition and non-credit remedial courses have no effect on Satisfactory Progress.
- Students who meet the minimum requirement for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation.
- Student will be given a copy of her SAP results and a copy of her progress report.

Leave of absences will extend contract period and maximum time frame by the amount of time taken on the leave of absence. Valid reasons for taking a LOA include: pregnancy, hospitalization of the student, temporary disability, immediate family or someone whom the student is designated as the primary care giver, military duty, or serious medical emergency. Time used on a leave of absence does not effect a student's missed time, and will not count against Satisfactory Academic Progress standards. Upon a student's return from leave of absence, he or she will maintain the same Satisfactory Academic Progress standing they had prior to taking a leave. See *Leave of Absence Policy* for additional details.

Hours that are accepted from another institution are counted as both attempted and completed hours for the purpose of determining when the maximum allowable time-frame has been exhausted. SAP evaluation periods will be based on actual contracted hours. *See transfer policy.*

Re-entry students will be considered to be in the same progress status as when they withdrew. *See re-entry policy.*

**Evaluation Periods:** Evaluations periods are based on **scheduled hours** and include quarterly tests both written and practical. All tests need to be taken and passed before proceeding on to the next quarter.

At each evaluation period, students meet individually with the School Director or Educator to review Satisfactory Academic Progress. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Progress reports are retained in the student file and a copy is provided to students.

**Cosmetology:** 450, 900, 1250, 1600 scheduled hours

**Esthetician:** 150, 300, 450, 600 scheduled hours

**Manicurist:** 100, 200, 300, 400 scheduled hours

\* Transfer students – midpoint of the contracted hours of the established evaluation periods, whichever comes first.

### **Attendance Progress Evaluations**

Students are required to attend a minimum of 70% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### **Maximum Time Frame**

Students must complete the entire program within a maximum time frame, not to exceed 143% of scheduled hours required in the program. Students who exceed the maximum time frame may be subject to over time fees and be required to make cash payments. All payments, including over time fees are due prior to graduation.

<u>COURSE</u>	<u>MAXIMUM TIME ALLOWED</u>
Cosmetology (Full-Time, 32 hrs/wk) -1600 hrs	75 weeks
Cosmetology (Part-Time, 24 hrs/wk) -1600 hrs	100 weeks
Esthetician (Part-Time, 22.5 hrs/wk) – 600 hrs	40 weeks
Manicurist (Full-Time, 40 hrs/wk) - 400 hrs	15 weeks
Manicurist (Part-Time, 22.5 hrs/wk) - 400 hrs	27 weeks

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 70% of the scheduled contracted hours.

Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

### **Academic Progress Evaluations**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90-100	Excellent
80-89	Very good
70-79	Satisfactory
69 and below	Unsatisfactory

### **Determination of Progress Status**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress report at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

### **Academic Warning**

Students who fail to meet minimum requirements for attendance of academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. IF at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

### **Probation**

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing<sup>1</sup> according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

### **Re-Establishment of Satisfactory Academic Progress**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

### **Interruptions, Course Incompletes, Withdrawals**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

### **Appeal Procedures**

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

### **Noncredit, Remedial Courses, Repetitions**

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

### **Transfer Hours**

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

## **Grading Scale**

Students are evaluated on a regular basis on attendance, academic and clinical work. The evaluations are measured on standard percentile basis and the percentage equated to a letter grade. Students must maintain a C (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

100%-90%	= A = 4.0 Superior Performance
89%-80%	= B = 3.0 above Average
79%-70%	= C = 2.0 Average
69%-60%	= D = 1.0 Unsatisfactory
59%-0%	= F = 0.0 Fail

## **Testing Policies**

At the end of each evaluation period, a quarterly exam will be given. This exam will consist of written and practical criteria according to the course requirement. The exam will cover portions of the program reviewed.

Written:

- a. Students will be scheduled for their test 1 week in advance.
- b. Students must be present at the start of the test.
- c. Any student absent or tardy will have to reschedule their test with an instructor.
- d. Students must score 70% or higher to pass.

Practical:

1. Students must be on time and prepared with their testing supplies.
2. Any student absent or tardy will have to reschedule their test with an instructor.

Make-up Tests or Failed Tests:

1. A failed or missed examination must be made up within 2 weeks after their scheduled test.
2. A list of students who need to make up a failed or missed test will be posted in the theory classroom.
3. Students will be allowed to make up a failed test one time free of charge. Any additional failures will result in a charge of \$5.00 per chapter test or \$25.00 per evaluation test. Baby Board / Mock state board exams will be a \$50.00 charge, if the student fails.

### Mock State Board Exam

A Mock State Board Practical Exam will be scheduled for the students during their course of study. A 70% percent test scores must be achieved both practical and written. Failure to call, or no show is considered no call, no show will have one opportunity to re-take the exam at no charge. Also, for the students who fail the examination will have one opportunity to retake the examination at no charge. Every attempt thereafter to show or retake the exam will be charge a \$50.00 examination fee.

2<sup>nd</sup> time failure or missed test will result in a lower GPA for an evaluation and may place the student on academic warning.

It will also create a safe focus and enjoyable learning environment.

### **Attendance**

Cosmo Beauty Academy's Satisfactory Academic Progress Policy requires each student to stay within 70% of their scheduled attendance according to his/her enrollment agreement. No student can exceed 143% of the allowable time to complete his/her course.

Cosmetology = 1600 hours

Esthetician = 600 hours

Part time = 30 weeks completion; not to exceed 40 weeks.

Manicurist= 400 hours

Holidays, leave of absences and school closures will extend the student's contract the exact amount of time scheduled to be closed or absent.

Each student has selected a schedule on their enrollment agreement before enrolling into Cosmo Beauty Academy. School hours are as follows: Tuesday through Friday 9:30 a.m. – 6:00 p.m. and Saturdays 9:00 a.m. – 5:30 p.m. It is the student's responsibility to arrive at school on time and remain in school according to their contracted schedule. The student must contact the Administrator to report tardiness and absences. Any student maintaining less than 100% attendance will reflect negatively on their progress report and may incur over contract charges.

Each student has signed an enrollment agreement that states the start date and expected grad date by a specific date. Each student is given an additional grace period. This grace period is 10% of the contracted hours on the enrollment agreement. Students requiring more than one week of absence must put in a Leave of Absence request

(see Leave of Absence for more information). **Students, who miss fourteen (14) consecutive days, without being on an approved Leave of Absence, will be terminated from the program.**

## **Time Clock**

Cosmo Beauty Academy records time by clock hours. Students are required to clock in and out of school using the time clock located at the front of the school. Hours are given according to the time that a student clocks in and out rounding to the nearest 15 minutes. For example: A student clocking in at 9:35 a.m. and clocking out at 5:55 p.m. will receive 7  $\frac{3}{4}$  hours for the day. A student clocking in at 9:30 a.m. and clocking out at 6:00 p.m. will receive the full 8 hours. 30 minute lunches are required for full time students and any students that stay on campus beyond 5 hours. Full time students are required to clock out for their lunch. Students who forget to clock out for lunch will lose 1 hour from their time. Students who go beyond their 15 minute break or 30 minute lunch limit will be given a first warning and be written up. The second warning will be a full day suspension and further violations will be reported to the school director. **It is the students' responsibility to remember to clock in and out for lunch and the day in order to receive credit.** If a student forgets to clock in or out for the day he/she will lose those hours. **(NO EXCEPTIONS)**. Students who leave the campus **must** clock out. Every student is expected to clock in and out for themselves. In the event that there is ever a student caught clocking in or out for another student, that will result in immediate expulsion. **NO EXCEPTIONS**. In the case of a power outage, or if the time clock is down, students must sign in/out with an instructor or office official to receive credit for the day.

**Tardiness is not tolerated at Cosmo Beauty Academy.** All students are expected to be clocked in and in their seats and prepared for class by their assigned start time. Exceptions for tardiness regarding accidents: a student must have a police report if he/she is the one involved in the accident. For accidents on the freeway, there must be proof on the internet that the Administrator can verify. Students who do not call half an hour before their scheduled time Tuesday through Friday will not be allowed to attend school for the day. **Normal traffic is not an excused tardy.** Student will be allowed one-time non-verified tardy that meets the above conditions without a sufficient documentation.

**Saturdays** are for practical operations and client days. All students are required to attend a minimum of 2-4 Saturdays per month according to their schedule. Students wishing to request a Saturday off need to do so in writing and granted at the director's discretion. Students who do not receive approval one week in advance cannot clock in until the following Thursday. School starts at 9:00 a.m. on Saturdays. All students must be clocked in and prepared for the day no later than 9:05 a.m. **NO EXCEPTIONS**. Students who do not call before 8:30 a.m. or do not show on Saturdays are clocked out until the following Thursday. **No student will be allowed to attend school on any other schedule to make up for absences with the exception for Saturday attendance. ## **Make Up Hours**

A student may make up his/her absence hours on Saturdays, organized school events, or taking clients before/after normal scheduled hours. The student must fill out the appropriate form to receive approval from the administration to make up hours. If the student's attendance is above 90%, they will not be approved to make up any absence hours. A student must follow all school policies while making up hours, such as dressing in a professional manner or taking a 30 minute lunch break after working for 5 or more hours. It is the student's responsibility to obtain

approval from an instructor and inform the administration beyond their scheduled hours. Failure to do so will result in the student not receiving credit for those hours.

Students must complete making up their absence hours before 2 weeks prior to their graduation date. Once the student reaches the projected 2 weeks prior to their graduation date, they must cease makeup hours. Students will be suspended and may not come to school until all overages are paid and required tests or operations are completed. If a student reaches his/her expected graduation date and has yet to complete required tests or operations, he/she will continue to accrue overages until requirements are met.

## Overages

Overages are incurred when a student reaches the expected graduation date stated on their contract and needs additional time to complete hours or operations. Cosmo Beauty Academy will extend a courtesy period of additional training. (Cosmetology [160 hours], Esthetician [60 hours], and Manicurist [40 hours]). The courtesy hours cover all absences, court dates, and personal absences. Thereafter an extra tuition charge will be assessed for the additional time necessary to complete the required hours based on the student's scheduled hours of attendance. Cosmo Beauty charges \$10.00 per hour for additional instructional time. For example, a cosmetology student whose contract ended was scheduled to have 1600 hours. The student only completed 1300 hours. ( $1600 - 1300 = 300$  hours) remaining to complete the program. Since the student had courtesy hours of 160, it will be deducted from the 300. ( $300 - 160 = 140$  hours).  $140 \times \$10 = \$1,400$  in overages are charged to the account in order for the student to complete school. For a student with transfer hours, courtesy hours will be given at a 10% of the required hours the student enrolled for. The collection of overages will begin once the student reaches 60% (Manicurist) or 75% (Cosmetology and Esthetician) of their program's *scheduled hours*. In the event that the student makes up a portion of their absence hours, the student will be refunded any remaining credit balance from the overages owed to Cosmo Beauty Academy.

## Schedule Change

Schedule changes are when a student wants to change his/her schedule from Full Time to Part Time, or vice versa. A student may request one schedule change per enrollment at no charge. If an additional schedule change is needed, the student will be charged a fee of \$100.00 per schedule change.

Schedule changes must be requested in writing. Schedule Change may be due to the following conditions:

- |   |                                |
|---|--------------------------------|
| 1. Conflict with work schedule                | 3. Health and pregnancy        |
| 2. Conflict due to child care/ related issues | 4. Homeless / related problems |

All schedule changes requests require documentation and approved by the Administrative Director.

## Leaving School Early

All personal and business appointments should be handled on your day off. Students are not allowed to leave school early until their instructor is notified; this is to be documented on a "Day Off Request Form" with the instructor's signature then initialed by the school's Administrator or Director when received. Reasons for early dismissal are: doctor/dentist appointment, child's school, illness, etc. A student must request time off in writing – preferably 24 hours in advance. Immediate family emergencies are the exception. Students leaving early due to illness: the student must get the approval of the Administrator or Director before leaving. **Leaving early without approval will result in a one day suspension.**

Due to institutional policies, the institution is responsible for all students that are clocked in. However, students who leave campus grounds without clocking out are liable for their own actions.

## **Lunch Break/Break Times**

Lunch break is 30 minutes. This includes getting your food or purchasing food. Times for student's breaks and lunches are assigned by their instructor. Floor students with clients will be scheduled around their client schedule. Students may not leave their client to take a break or lunch unless assigned a replacement. Breaks are 15 minutes long. Full time and part time students get two 15 minute breaks. All breaks are assigned by the instructor.

**It is the student's responsibility to clock in and out for breaks and lunch.** Students who fail to clock out for breaks or lunch **will lose 1 hour.** Students who fail to return on time to their theory class or the clinic floor after their break or lunch will be sent home.

There is no eating in the classrooms! Lunch is to be eaten in the break room or outside. Students may not eat in any of the **class rooms, demo rooms, library, lobby,** or on the **clinic floor!**

Students taking extended breaks or lunch will be given a one-time verbal warning and written up. Second violation will result in one day suspension and further violations will be reported to the school director.

All non-compliance to the above attendance rules will be documented and put in the student's permanent files and may place him/her on disciplinary notice and/or get the student clocked out for the day.

## **Professional Image/Behavior**

Professional image is the impression projected as a person engaged in the profession of cosmetology, Esthetician and Manicurist and consists of one's outward appearance and the conduct he/she exhibit in the workplace. This image and behavior is extremely important. Gum chewing is not permitted while performing a clinic service. It does not look or sound professional to service a client while chewing gum. Examples of inappropriate behaviors include running through the hallways, horseplay on campus, or foul language on the clinic floor in front of clients.

**Personal hygiene** is the daily maintenance of cleanliness and healthfulness through certain sanitary practices. These include:

- Any outerwear worn on the clinic floor must be solid black or white (i.e. sweaters and jackets).

Students arriving to school without proper uniform will be sent home to change within an hour time limit or sent home for the day. If he/she does not return in the proper uniform, he/she will be marked absent. If the Director or Instructor determines that a student's attire is unacceptable, he/she must go home and change. Also, documentation will be placed in the student's permanent file and reflect negatively on his/her quarterly progress evaluation.

## **Student Conduct**

Students are expected to conduct themselves in a professional manner at all times. Poor conduct includes:

- Failure to follow instruction or schedule, refusing clients, behaving rudely in front of clients, profanity, gossiping, refusing to cooperate with or acting disrespectful to fellow students and staff members will be counseled by administrative staff and suspended/expelled depending on the offense.
- Students who engage in disorderly conduct including horseplay, threats, fights, stealing, and drug use/possession of drugs or gang activity will be reported to the authorities and face suspension/expulsion from school.
- Recreational drugs, alcohol, and weapons have no place on school grounds and possession thereof is grounds for expulsion.
- Visitors are allowed in the reception area only. Maximum visiting time is 10 minutes, or the student will be clocked out for the duration of the visit.

- Only emergency calls are permitted on the business phone. For emergency calls, students should give the school number to relatives so that they will not call the student's cell phone and disrupt the class.
- Cell phones are not permitted beyond the break room. Cell phones must be turned off during class time. Text messaging will not be permitted. Anyone using or texting during classroom time or on the clinic floor will be clocked out for the day. - Any untruthful, misleading or slanderous comments referencing the school, staff or fellow students placed on the internet or social media, (i.e. Facebook, MySpace, Instagram, YouTube, Twitter, etc.) made by a student will cause that student to be expelled.
- Any form of cheating or plagiarism will result in suspension and/or expulsion depending on the offense. If you are caught cheating on a test, you will be written up and suspended for two (2) days. Plagiarism is defined as, but not limited to, using another's work and crediting it as your own. Anything used directly from the internet or another student without proper citation on major assignments (i.e. Junior Project, Senior Project, Sanitation & Disinfection Report) will result in a failing grade and suspension or expulsion.

Cosmo Beauty Academy will report to Highlands Community Charter School their students' academic progress as well as attendance on a monthly basis. All incidents will be referred to Highlands Community Charter School should any difficulties arise in regards to violation of school conduct. Highlands Community Charter School reserves the right to remove a student from the course should they fail to meet satisfactory progress or conduct.

## **Learning Participation Guideline**

Theory is given at 9:35 a.m. Tuesday through Friday of each week. It is the student's responsibility to be in his/her seats and ready for instruction at the beginning of each class. Coming to school without books or equipment means the student is not ready and will be sent home to retrieve his/her supplies. Should a student fail to return, he/she will be marked absent for the day.

There is absolutely no cell phone, computer, mp3 player etc. usage, eating, or personal conversations during class or on the clinic floor. This disrupts the instruction given and does not make for an effective learning environment for fellow students, and is disrespectful to the Instructor. If a student is excused by an instructor for disrupting the class, he/she will be sent home for the day.

All students are given sign off sheets during his/her enrollment at COSMO BEAUTY ACADEMY: freshman sign off sheet, seven monthly sign off sheets, senior sign off sheets, foil placement sheets, haircutting sheet, and operation requirement sheets for Estheticians. It is the student's responsibility to maintain, get signatures, and turn in these sheets when they are due. Failure to do so will result negatively on quarterly evaluations and may place the student on academic warning. Also, failure to complete these requirements on time will deny the student status to pre-apply for the State Board exam.

There are 3 reports due during the student's program; Junior Report – due by 75%, Senior Report and Sanitation and Disinfection Report – due by 90%. Failure to turn in these reports completed and on time will result negatively

on quarterly evaluation as well as not allowing the student to pre-apply for the State Board exam and/or complete their program.

All students must give applied effort each day in order to receive school credit. Applied effort includes theory -- a minimum of 1 hour 3 days out of each week, and practical -- a minimum of 2-4 practical procedures each day. Practical procedure requirements are: 2 practical for part time and 4 practical for full time. Any student not giving applied effort or refusing daily assignments will be sent home.

Junior/Senior students must be in their assigned classes at the beginning of each class. For example: 11:00 a.m. Advanced Hair Cutting Class. If the student's name is on the list, he/she must be in the class. Failure to be in appropriate classes on time will result in the student being clocked out for the day.

**At 1500 hours**, students will be given study time for their State Board test. The schedule is as follows:

Tuesday – Friday <b>3:00PM – 6:00PM</b>	Full Time Students
Tuesday – Friday <b>11:30AM – 2:30PM</b>	Part Time Students

Students must take appointments when needed and have their equipment here daily. There will be no study time on Saturdays.

Periodically, during a student's duration at COSMO BEAUTY ACADEMY, he/she will be required to bring in a model in order to demonstrate and reinforce the various techniques covered in class.

## **Clinic Services**

Students must greet the client and introduce themselves *prior* to setting up for the service.

All students serving the public must be courteous and pleasant. If difficulties arise, students must notify an instructor. Students must take patrons when assigned to them. Students who refuse to perform a client service; this includes nail services, will be placed on notice and clocked out for the day.

Client record card/release forms must be signed before chemical services. **All** services must be checked and signed by an instructor **before** the patron leaves. The client record card must be signed by an instructor and filed away properly. Students are not allowed to use non-approved school products on clients without the consultation and approval by an instructor or school director.

No student may leave a patron while doing a service, except in an emergency and is excused by an instructor.

Only products furnished by the institute may be used unless otherwise approved by the clinic floor instructor.

**No free services!** All pricing must be advised by an instructor on the floor prior to giving the service.

## **Personal Services**

A personal service is any service given to a student by another student. The following are the rules for receiving or doing a personal service:

- All personal services must be approved by the clinic floor instructor as well as the instructor **prior** to doing the service.
- Students do not have to clock out for personal services if it's within the scheduled personal service timeframe. Students are not allowed to receive any personal services outside the designated timeframe.

★ If the Director or the school owner approves additional personal service time, the students will not need to clock out. This, however, is solely up to the discretion of the Director or school owner.

- Personal services schedules are assigned based on program. The schedule for Cosmetology students is as follows:

PROGRAM	DAY ALLOWED	TIME FRAME
FULL TIME CLASS	THURSDAY	4:00pm – 6:00pm
PART TIME CLASS A	FRIDAY	12:30pm – 2:30pm
PART TIME CLASS B	FRIDAY	9:30am – 11:30am

- Esthetician and Manicurist students are allowed personal services at a timeframe approved by their instructors. Approval must be received from their instructor as well as the clinic floor instructor before service can begin.
- Students will pay 50% of the menu price for a personal service.
  - o The only exception to this rule is if there is a classroom demo (i.e. classroom waxing demo) – students do not need to pay the 50% of menu price.
- Personal services must be **pre-paid before** service can begin. These include permanent waving, tint, bleach and facial supplies.
- Students must check in with the front desk to pay for the service as well as receive a work ticket.
- Personal services must be rescheduled when the service desk personnel has scheduled the student a service client. Students must also stop personal services if they are needed for a client service.
- Students are allowed a maximum of one service a week.
- Both students participating in the personal service will not receive credit past their scheduled time.
- Students on academic warning/notice are not allowed personal services.
- School supplies are for teacher demos and clinic services only. This includes gloves, foils, gel, bleach etc. Students needing supplies for practice and personal services will need to purchase them on their own or from the school.
  - o 10 Foils + Gloves = \$2.00
  - o 3 Styling Products = \$1.00
- Students receiving school achievement awards will receive one free personal service. This will be a basic service – no chemical services allowed.
  - o Examples: basic Dermalogica facial, plain manicure, plain pedicure, haircut, blow dry, up do, and makeup
  - o Examples of achievement awards
    - Consecutive Perfect Attendance awards
    - Any Most Improved or Outstanding awards

## **Student Tuition Recovery Fund (STRF)**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431- 6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of no collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## **Requirements for Financial Aid**

- Be a citizen or eligible non-citizen
- Not owe a refund on a Pell Grant or SEOG Grant
- Not be in default on any federal Stafford loans
- Making satisfactory progress
- All male students born after January 1, 1960 are registered for selective service
- Have a high school diploma or GED

## **Financial Aid Principles**

1. Cosmo Beauty Academy will work with schools, community groups, and other educational institutions to support the national goal of equal educational opportunities.
2. The expected family contribution (EFC) affects the student's cost of education. This school expects parents to contribute financially to their child's cost of tuition, according to their means, taking into account their incomes, assets, number of dependents, and other relevant information. Students are also expected to contribute from their own earnings and assets, including borrowing against future earnings.
3. Financial aid will be offered after determining whether the family's resources are insufficient to meet the student's educational expenses. The amount of financial aid offered will not exceed the amount needed to meet the difference between the student's total educational expenses and the family's resources.
4. In awarding funds to eligible students, the amount and the type of self-help will be related to the circumstances of the individual and the largest amount of grant assistance will be offered to students with the least ability to pay.

## **Student Accounts**

1. Student payment plans are set during the student's interview and enrollment process with the Administrator. This includes schedules and monthly payment amounts.
2. Student who are on the "In House" or an overage payment plan have an interest-free monthly payment due each month on the anniversary of their start date. COSMO BEAUTY ACADEMY allows a 5 business day grace period. For example, if the student started on the 1<sup>st</sup> of the month, his/her payment is due on the 1<sup>st</sup> and late on the 7<sup>th</sup>. If the student is late past the grace period, a \$25.00 late fee will be added to the account and the student will be **suspended** until his/her account can be paid up to date.

## **Financial Aid Mechanism**

Financial aid is a mechanism that reduces out-of-pocket costs those students and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of postsecondary education attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and a student must repay them in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the school/program, or if a student's attendance falls below

half time. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

## **Financial Aid Programs**

The following is a description of the Federal Financial Aid Programs available at the school. Additional information regarding these programs, eligibility requirements, the financial aid process, and disbursement of aid can be obtained through the school’s Student Financial Planning Brochure, the school’s Student Finance Office, and the U.S. Department of Education’s Guide to Federal Student Aid, which provides a detailed description of these programs. The guide is available online at:

[http://studentaid.ed.gov/students/publications/student\\_guide/index.html](http://studentaid.ed.gov/students/publications/student_guide/index.html)

To see if a student is eligible for financial aid, he/she can fill out a free application online at:

[www.fafsa.ed.gov](http://www.fafsa.ed.gov)

Cosmo Beauty Academy’s school code: **041634**

Once the application has been submitted and processed by the U.S. Department of Education, a confirmation email will be sent to the student and the school determining the student’s eligibility. The Financial Aid Director of the school will contact the student to determine the amount of financial aid award.

Any student wishing to apply for a Direct Loan must sign a master promissory note. To do so, the student must meet with the school’s Financial Aid Director. Student loans **cannot** be processed without a signed master promissory note.

### **Federal Pell Grant Program (FPELL)**

The Federal Pell Grant Program is the largest federal student aid program. For many students, these grants provide a foundation of financial assistance that may be supplemented by other resources. Student eligibility for the Federal Pell Grant Program is determined by a standard formula that is revised and approved every year by the federal government. Unlike loans, grants do not have to be repaid. Pell grant funds are received by June 30 in the year on which the application is intended for. Student Aid Report (or ISIR) must be submitted to the school’s financial aid office by August 29 of the award year from which aid is requested, or your last day of enrollment in the award year, whichever arrives first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected if the student is selected for verification.

- **RENEWAL PROCESS:** A FPELL Grant award received for one award year, (July 1 to June 30 of the following year) is **not** automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the **new** SAR or ISIR to the school’s financial aid office.
- **DISBURSEMENT:** FPELL Grants are disbursed on a per payment period basis, via a direct credit to the student’s account or via a check payable to the student.

### **Federal Stafford Loans (FSL)**

Formerly the Guaranteed Student Loan (GSL), this low-interest loan is available to qualified students through the lending institutions or agencies participating in the program and is guaranteed by the U.S. government. Repayment begins six months after the student graduates, leaves school, or drops below half-time status. There are two types of Federal Stafford Loans available: Subsidized Loans and Unsubsidized Loans.

Federal Subsidized Stafford Loan is a low-interest loan issued by a lender (bank, credit union, or savings and loan association). Student eligibility for a Subsidized Stafford Loan is based on “financial need.” The Federal government pays the interest while the student is in school at least half time, during the grace period and during periods of deferment.

Federal Unsubsidized Stafford Loan is a low-interest loan issued by a lender (bank, credit union, or savings and loan association). Students do not have to demonstrate “need” in order to obtain this loan. Interest accrues on this loan while a student attends school.

- **DEADLINES:** Most lenders require applications to be submitted at least 30 days prior to the end of the loan period for which the loan has been requested.
- **DISBURSEMENT:** Checks are issued to the school and credited to the student’s tuition account. It is the student’s responsibility to submit all required forms and documentation to the financial aid office before disbursement. It is also the student’s responsibility to comply with all obligations involved in the receipt of federal and/or state aid.

### **Federal Parent Loan for Undergraduate Students (PLUS)**

The Federal Parent Loan for Undergraduate Students (PLUS) provides additional funds to help parents pay for education expenses. Parents may borrow up to the cost of their dependent student’s education minus any other aid the student is eligible for. The interest rate is fixed and interest accrues at the time of disbursement. Repayment typically begins within 60 days after the student starts school.

Note: Federal student loans are insured by state and private non-profit guarantee agencies.

Loan origination fees may be deducted from the loan by the institution making the loan as set forth by federal regulations.

For students who do not qualify for financial aid, we offer an interest-free monthly payment plan and/or third (3<sup>rd</sup>) party agencies based upon student and school’s eligibility.

## **Student’s Right to Cancel and Refund Provisions**

The student has the right to cancel the enrollment agreement and obtain a full refund of all charges minus a non-refundable registration fee of \$100.00 if cancelled by the first class or seventh day after enrollment agreement was signed, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. (CEC Code 94911-(e) (2). Cancellation shall occur when you give written notice of cancellation at the address of the school shown on top of the first page of the enrollment agreement. The institute shall refund any amount paid by the student within 45 days after it receives the notice of cancellation minus a registration fee if applicable, not to exceed (\$100.00), or any unreturned equipment. You can do this by mail, or hand delivery. If the institute gave the student any equipment\*\*, the student shall return the equipment within 30 days following the date of notice of cancellation. If the student fails to return the equipment within this 45-day period, the school may retain its documented cost for the equipment from a refund due to the student. The school shall refund any amount exceeding the documented cost of the equipment within 45 days after the period within which the student is required to return the equipment. The student may retain the equipment. \*\*\*

**Equipment:** Textbooks, supplies, materials, tools, electronic devices, or any other goods related to the agreement for the course of instruction.

\*\*\*Used or opened pre-packaged equipment may not be returned due to sanitary reasons.

**Course cancellation:** If a course is cancelled subsequent to a student's enrollment, the school shall at its option:

(a) Provide a full refund of all monies paid or (b) Provide completion of the course.

**School Closure:** If the school closes permanently and ceases to offer instruction after a student's enrollment and the course has begun, the school must make arrangements for students. The school has the option to: (a) Provide a pro-rata refund of tuition; or (b) Participate in a teach out agreement

If a student is granted a Leave of Absence and fails to return, the withdrawal date for the purpose of calculating a refund is the student's last day of attendance. Students who fail to return will be terminated. If a student is on an approved Leave of Absence and notifies the school he or she will not be returning, the date of withdrawal determination is the date the student notifies the institution that the student will not be returning.

In the case of mitigating circumstances beyond the control of the student, this institution shall make a settlement, with the student, which is reasonable and fair to both

You have the right to withdraw from a course of instruction at any time. Student may withdraw by Student written notice to Cosmo Beauty Academy or by student conduct, including but not limited to, students lack of attendance. If you withdraw from the course of instruction after the period allowed for cancellation of the enrollment agreement, the Institute will remit a refund less a non-refundable registration fee of \$100.00 up to 60% of the program within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. The refund shall be the amount you paid for instruction multiplied by a fraction the numerator of which is the number of hours of instruction which you have not received but for which you have paid and the denominator of which is the total number of the hours of instruction for which you have paid. If you obtain equipment as specified in the Enrollment Agreement as a separate charge, and return it in good condition within 45 days following the day of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear within this 45 day period, the School may offset against the refund the document cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. In any event, you will never be charged for more than the equipment charges stated in the contract.

The student shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charge, and the amount the school has charged in the contract. In any event, the student will never be charged for more than the equipment charged stated in your enrollment agreement.

If the amount the student has paid is more than the amount that student owes for the time that they have attended, then a refund will be made within forty-five (45) days of withdrawal. If the amount that the student owes is more than the amount that he/she has already paid, then they will have to make arrangements to pay for it.

- Students whose entire tuition and fees are paid by a third party organization are not eligible for a refund. The refund will be sent to the third party organization.

## **Method of Calculating Refund**

If a student withdraws prior to completion of the course of study in which he/she is enrolled, the school will determine whether the student is eligible for a refund of monies paid based on a pro-rata refund calculation up until the student has been enrolled for sixty (60%) percent of the scheduled hours of the course. If the number of

scheduled hours during the student’s enrollment in the course exceeds sixty (60%) percent of the total hours in the course, the school shall have earned and will retain one hundred (100%) percent of the institutional charges charged to the student. If the student withdraws of his/her course of study after the deadline for the student’s right to cancel this Agreement has passed *and* the student is entitled to a pro-rata refund calculation, the school will issue such refund to the student, less a registration fee not to exceed \$100.00, within forty-five (45) days following the student’s withdrawal.

The refund is calculated as follows:

- (1) Deduct a registration fee not to exceed one-hundred (\$100.00) from the total charge.
- (2) Deduction of equipment cost, if any.
- (3) Divide this figure by the total number of hours in the program.
- (4) The quotient is the per-hour charge.
- (5) The amount owed by the student for the purpose of calculating a refund is derived by multiplying the total number of lessons received by the per hour charge calculated in (4) plus the amount of the registration fees specific in (1).
- (6) The refund shall be any amount in excess of the figure derived in paragraph (5) that was paid by the student.

Example of a Hypothetical Refund Table

As required by CEC 94859 (a) (6)

Assume the student enrolled in a 1600 hour program requiring \$16,022 for tuition, \$100 for registration (nonrefundable), and withdraws after completing fifty (50%) percent of the required course. The pro-rata refund would be based on the calculation stated below. See sample:

\$16,122 paid	Minus	\$100 registration fee	= \$16,022
\$16,022	Minus	\$3,672.00 (Un-returnable Kit)	= \$12,350
\$12,350	Divided by	1600 hours	= \$7.70 per hour
\$7.70 per hour	multiply by	800 hours of instructions	= \$6,160 owed by the student
\$13,350	Minus	\$6,160	= \$6,160 total refund

**Note:** If student withdraws, federal regulations may require that federal funds used to cover institutional expenses be returned to their respective program sources. Balances of unpaid charges are the responsibility of the student. Delinquent accounts could be assigned to collection agencies. Collections costs will be added to any outstanding balance. ★ \_\_\_\_\_ (Student’s initials)

Notice of refund to students: The school shall notify the student in writing of the date on which the refund was made, the amount of the refund, the method of calculating the refund, and the name and address of the entity to which the refund was sent within ten days of such refund. Posting this notice in the US Postal Service shall be deemed constructive notice for this purpose.

**Federal Return of Title IV Funds Policy**

The financial aid office is required by federal statute to determine how much financial aid students who withdraw, dropout, or take a leave of absence prior to completing earned 60% of a payment period or term. For a student who withdraws after the 60% point in time, there are no unearned funds; however, a school must still complete a return calculation in order to determine whether the student is eligible for a post-withdrawal disbursement.

The calculation is based on the percentage of earned aid using the following Federal Return of Title IV Funds Formula:

Percentage of payment period or term completed = the number of calendar days completed up to the withdrawal date divided by the total calendar days in the payment period or term. (Any break of 5 days or more is not counted as part of the days in the term.) This percentage is also the percentage of earned aid.

Funds are returned to the appropriate federal program based on the percentage of unearned aid using the following formula:

Aid to be returned = (100% of the aid that could be disbursed minus the percentage of earned aid) multiplied by the total amount of aid that could have been disbursed during the payment period or term.

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Keep in mind that when Title IV Funds are returned, the student borrower may owe a debit balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement which must be paid within 180 days of the student's withdrawal.

The institution must return the amount of Title IV Funds for which it is responsible no later than 30 days after the date of determination of the student's withdrawal.

Refunds are allocated in the following order:

1. Unsubsidized Federal Stafford Loans
2. Subsidized Federal Stafford Loans
3. Federal Parent (PLUS) Loans
4. Federal Pell Grants for which a Return of Funds is required

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

**Collection Policy:** Delinquent accounts may be assigned to a collection agency. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debt on the School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

1. All students and employees are required to report any crime or emergency to the institutional official promptly. If a student or employee wishes to report a crime on a voluntary or confidential basis, an institutional official will be prepared to record and report the crime, but not the name of the informant. In order to remain anonymous, the student or employee may submit his information in writing without a signature to the institutional official. If confidentiality is not an issue, the student or employee will contact the institutional official who will then contact the nearest supervisor to report criminal actions or emergencies to the appropriate agency by calling 911.
2. Only students, employees and other parties having business with this institution should be on institutional property. Rear access doors are closed and locked during all hours of the day. Surveillance cameras are placed throughout the facility and are active during all hours of the day and night. When the school closes for the night, an official will lock all doors and set the security alarm. Other individuals, students, or employees present on institutional property at any time without the expressed permission of appropriate institutional official(s) shall be viewed as trespassing and may also be subject to a fine and/or arrest.
3. Though this institution does not offer regularly scheduled crime awareness or prevention programs, students are encouraged to exercise proper care in seeing to their personal safety and the safety of others.   - h. Information regarding any crimes committed on the campus or parking lot will be available and posted in a conspicuous place within two (2) business days after the reporting of the crime and be available for sixty (60) business days during normal business hours, unless the disclosure is prohibited by law, would jeopardize the confidentiality of the victim or an ongoing criminal investigation, would jeopardize the safety of an individual, would cause a suspect to flee or evade

detection, or would result in the destruction of evidence. Once the reason for the lack of disclosure is no longer in force, the institution must disclose the information. If there is a request for information that is older than sixty (60) days, that information must be available within two (2) business days of the request.

4. Campus law enforcement/security policies are as follows:
  - a. The institution’s officials have no powers of arrest other than the Citizens Arrest Law, and are required to call the correct agency or dial 911 in the event of a crime. The Citizens Arrest Law will be invoked only as a last resort, and after all other possibilities have been explored.
  - b. The institution does not employ campus security personnel but encourages both its students and employees to immediately report suspected criminal activity or other emergencies to the nearest available institutional official and/or in the event of emergency to directly contact local law enforcement or other emergency response agencies by dialing 911.
  - c. The institution currently has no procedures for encouraging or facilitating pastoral or professional counseling, other than that the student or employee is encouraged to seek such aid and may utilize sources on the posted Counseling Hotlines.
  
5. The institution does not permit the sale, possession or consumption of alcoholic beverages on school property and adheres to and enforces to all state underage-drinking laws. This institution also does not permit the possession, use or sale of illegal drugs by its employees and students and adheres to and enforces all state and Federal drug laws. The violation of these policies by students or employees may result in expulsion, termination and/or arrest. Information concerning drug and alcohol abuse education programs is included in this catalog.
  
6. Sexual offenses/assaults on campus will be reported immediately to the school’s official. The person who was victimized will be encouraged to seek counseling at a rape crisis center and to maintain all physical evidence until such a time as that person can be properly transported to a hospital or rape crisis center for proper treatment. This institution has zero tolerance for such assault.
  
7. All incidents shall be recorded in the institution’s “Incident Report” binder at the institutional official’s office. The log includes the date, time, location, incident reported, and disposition of incident and the name of the person who took the report. The report must be entered in the log within two (2) business days of being reported to the school’s official, unless that disclosure is prohibited by law or would endanger the confidentiality of the victim.
