Definitions

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date of the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Student’s Right to Cancel

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh (7th) day after enrollment, whichever is later. (CEC Code 94911-(e)(1))

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. (CEC Code 94911-(e) (2). Cancellation shall occur when you give written notice of cancellation at the address of the school shown on top of the first page of the enrollment agreement. The institute shall refund any amount paid by the student within 45 days after it receives the notice of cancellation minus a registration fee if applicable, not to exceed (\$100.00), or any unreturned equipment. You can do this by mail, or hand delivery. If the institute gave the student any equipment**, the student shall return the equipment within 30 days following the date of notice of cancellation. If the student fails to return the equipment within this 45-day period, the school may retain its documented cost for the equipment from a refund due to the student. The school shall refund any amount exceeding the documented cost of the equipment within 45 days after the period within which the student is required to return the equipment. The student may retain the equipment. ***

** Equipment: Textbooks, supplies, materials, tools, electronic devices, or any other goods related to the agreement for the course of instruction.

*****Used or opened prepackaged equipment may not be returned due to sanitary reasons.**
